

Perennial Plant List

Light needs are indicated by a relative value - 1 is full sun while 4 is shade

Bloom period - Sp=Spring, Su=summer, F=Fall, E=early, L=Late

Plant height and spacing are given in inches

'N' in the last column indicates plant is a native species

\$3 ea or 5/\$15.00 (except where noted)

QTY	Plant	Light	Height	Color	Bloom	Space	Soil Considerations	
	Amsonia	1-3	24-36	Blue	ESu-Su	24-30		N
	Angelica gigas	1-3	36-48	Burgundy	Su-LSu	18-24
